Congratulations on reaching your 10th anniversary. This is an important milestone in your club history and one worthy of celebration.

You have reached this milestone because your club successfully provides a safe environment where all members can practice their communications and leadership skills, and take what they’ve learned into their community, business and family lives.

Enjoy your celebrations and continue to follow your club mission so that not only your current members but those who visit the club can experience the fun and personal growth that epitomizes membership in Fort Bonifacio Toastmasters Club.

MESSAGE from the Division K Director

Congratulations, Fort Bonifacio Toastmasters!

As we celebrate our 10th anniversary, I can't help but look back and be amazed on how far we have traveled in our journey to Toastmasters excellence. Our tenacity, teamwork, and strong support system brought us to where we are now as a club significantly impacting not only the development, but also the lives of our members. This is truly an epitome of our division's battle cry for member-centricity this Toastmasters Year.

This past decade, we have positioned our club as one of Division K's most sustainable club. We've proven to be a hallmark of communication and leadership, having been able to produce 6 Division champions, 2 District champions, where 1 went on to represent District 75 in the World Championship of Public Speaking, and 6 members held positions in the district.

I take great pride to be a member of the "Friendliest Toastmasters Club", and we continue on with our journey, I wish us all more significant successes in the future. May the club's decade of success lead to a greater achievement in the years to come.

In anniversaries whether with your friends or relationship or Toastmasters club, the 5th year and the 10th year are the milestones that cannot be forgotten.

Last 5th Anniversary, Club Coach Corazon Oliva, DTM and I were the only ones who celebrated the moment that motivated us to make the everlasting momentum. I cannot forget that.

But as we go to the 10th Anniversary, I wish many names will rejoice in the momentum of motivation to make the ever-lasting moments.

Happy 10th Anniversary to all of you!

I salute our Charter President, Lourdes “Dodie” Felix, ACB, CL, officers and Charter members. Warmest greetings to the past set of officers and members. Thanks to all our District Officers and toastmasters in other clubs for their priceless support and encouragement these many years. My sincerest thanks and appreciation to Gov Miks Cabatic, ACG, ALB, who passionately believed and persevered in rebuilding Fort Boni TMC as a community/open club. Congratulations to the former officers and members since 2011. Congratulations to the current set of officers and members under the leadership of President Jovito “Vits” Magoncia, CC, ALB.

All of you have shown dynamism, creativity and whole-hearted commitment. You generously shared and continue to share your stories, talents, and skills helping each other realize dreams for personal growth and development. You also gave from your treasures. Fort Boni TMC yielded champions at the district, division and area level speech contests. Fort Boni TMC is a pool for possible district officers, and a recognized President’s Distinguished Club.

Remain friendly and supportive, motivated and inspired, committed and passionate. Continue to give the best of yourselves at all times, particularly, when challenges and difficulties arise. Fort Bonifacio Toastmasters Club
MESSAGE from the Charter President

Congratulations to Fort Bonifacio Toastmasters Club (FBTMC) for 10 years of remarkable growth — growth in membership, vision, effectiveness, and credibility.

Ten years is a milestone. Number 10 signifies completeness. It is an occasion to celebrate, an opportunity to momentarily look back but a golden ticket to chart the path forward.

In 2006 the FBTMC was created in response to requests from a number of Army Officer’s Ladies to learn, practice and hone their communication and leadership skills in support to their husbands. The aim of Toastmasters Club is to create an organization that would deliver a supportive and positive learning experience in which members are empowered to develop communication and leadership skills, resulting in greater self-confidence and personal growth. Hence, Fort Bonifacio Toastmasters Club was born in November 20, 2006.

I said born because it was the pilot project of the Philippine Army Officers Ladies Club based in Fort Bonifacio Army Headquarters. A lot of mothers took care of the club from its infancy. But soon the hot mommas were transferred to different locations depending on their husband’s assignments so the club suffered a setback. But like a true soldier, it survived the battle and emerged victorious.

Today FBTMC prides to be the first Toastmasters Club in Bonifacio Global City. The hot mommas might be gone, but the Club is much stronger under the leadership of the officers and members that comprised a diversified group of young professionals. Truly a memorable passing of the baton to the next generation, a legacy.

FBTMC has given rise to six Division K champions within the last 10 years and still counting. During the first year of its conception alone, we brought home the top prize when we won the International Speech Contest and was represented to the International Speech Contest in Phoenix, Arizona.

FBTMC, keep on rocking!

I salute the officers and members of FBTMC under the leadership of its current President, Jovito “Vits” E. Magoncia, CC, ALB.

May God grant us the success for many more years to come.

Your original hot momma,

LOURDES “Doddie” F. FELIX, ACB, CL

Fort Bonifacio Toastmasters Club was raised by warmhearted mothers in its infancy, was forced to stand on its own feet, was rescued and fostered, and has stood strong carrying with it the legacy from every generation of leaders. This is the story of our olden days.

Conception till birth

In 2006, a group of women sought an avenue for growth as they stood behind their beloved soldiers. Valor manifested in these women as they resolved to create a place where they could commune and practice and hone their communication and leadership skills. This led to that one fateful day on November 20, 2006 when Philippine Army Officers’ Ladies came together to form Fort Bonifacio Toastmasters Club. At the time, the club was based at Fort Bonifacio Philippine Army Headquarters.

The club’s early years under the care of its motherly keepers had been fruitful, producing Competent Communicators and Advanced Communicators. In 2007, Lourdes “Doddie” Felix carried the name of the young Fort Bonifacio Toastmasters Club to the World Championship of Public Speaking in Phoenix, Arizona after she triumphed over contestants on the District level.

Orphanhood

Many Army Officers’ Ladies delighted in the benefits of being a Toastmaster until each one had to move to different locations due to their husband’s reassignments. Eventually, the club lost its original mothers and was in dire straits.

Fort Bonifacio Toastmasters Club, still in its toddlerhood, was in need of a new guardian who was willing to undertake the challenges.

While the club membership had been opened to all, it was still a major challenge to get the commitment of the members. On top of that, the club was lacking funds and in need of a new venue. It was slowly dying out and longing for a family.
To the club’s rescue

As Mikhail “Miks” Cabatic, ACG, ALB, recounts when he first found the club, “It was really in bad shape—really bad—not living but merely existing.” Miks was the 7th Club President and a major roleplayer in the revival of the club.

The club is lucky to have found such an impassioned worker as who was eager to keep the club and continue its mission, had also benefitted. As fate would have it, he also found individual who was then looking for a club that needed aid Corazon “Tita Cora” Oliva, DTM readily accepted the new Club Coach of Fort Bonifacio Toastmasters Club.

Miks and Tita Cora were the only ones who celebrated the club’s 5th Anniversary, but the occasion also marked the start of revitalization for the club. These two people harbored a spirit of burning passion and determination to keep the club alive.

The revitalization program

With their knowledge and expertise, they carefully studied the situation of the club. First, they recognized that every club is unique and chose to preserve the identity of the club. Fort Bonifacio Toastmasters Club was the only Toastmasters club in Bonifacio Global City, one of the coolest places in Metro Manila. Then, they saw a kaleidoscope of young professionals and hang-out generation. Transferring to South of Market Residences, a venue closer to the heart of the city, they were able to establish a dynamic meeting environment where different kinds of people could converge without anyone feeling left out or intimidated; hence the title “friendliest Toastmasters Club.”

The strongest clubs are, for Miks, “self-reliant and self-sustaining,” and in order to sustain the club, our leaders treated it as a “customers game,” wherein the focus is on the members and not the membership. They focused on building and strengthening the capacity of the club by training its members into leaders. Members were highly prioritized for meeting roles, instead of taking guests from other clubs. This helped the members discover their hidden talents and develop their own unique style.
The results of these efforts have become apparent in the long list of leaders, awards and contest champions that the club has produced. Miks himself became a Division K Evaluation Champion. Besides him, the club brought forth a District 75 Evaluation Champion, Vida Verzosa; a Division K Humorous Speech Champion, Jeff Quinto; and Division K Table Topics Champions, Merlon Ascabano and Mimi Arellano.

**Visions and legacy**

From being an endangered club, Fort Bonifacio Toastmasters Club was rebuilt with a stronger foundation. The persistence of our past leaders gave us the momentum to aim for greater milestones.

People have come and gone, but they all go as leaders. The visions of the past have turned into a legacy that we will uphold for all time.
10 Interesting Facts
Fort Bonifacio Toastmasters Club
Here's a little trivia about our humble beginnings. Did you know that Fort Bonifacio Toastmasters Club started as an exclusive club for the wives of military officers?

Eventually, it opened up to people outside of the army. Look how diverse our membership is now!
We know how "multi-awarded" sounds prestigious when attached to a name.

So, how about this: Fort Bonifacio Toastmasters Club is a four-time President's Distinguished Club awardee.

We were also a Select Distinguished Club awardee, three-time Distinguished Club awardee, five-time Beat the Clock awardee, seven-time Smedley awardee, and three-time Talk-Up Toastmasters awardee.

Would this be enough to call us a multi-awarded Toastmasters club?

The President's Distinguished Club is the highest award granted by Toastmasters International to a club. Learn more about club awards and recognitions at www.toastmasters.org.
Fort Bonifacio Toastmasters Club meetings are held at the Theater Room of South of Market (SOMA) Residences, a private residential tower in BGC that's conveniently near SM Aura and BGC High Street.

But did you know that the club used to hold its meetings at the Fort Bonifacio Philippine Army Headquarters?

The Philippine Army Officers' Ladies Club Office was the first meeting venue of Fort Bonifacio Toastmasters, which was then an exclusive club to army officers' wives.

Fort Bonifacio Toastmasters Club has gone through ups and downs, but definitely, the club always goes up at the end of the day.

It would be worth recognizing the leaders who led the club to where it is now. So, here is a list of the Club Presidents through the years.

We especially owe the Charter President, Lourdes "Doddie" Felix, ACB, CL, together with the pioneer officers and members, who set the platform that is Fort Bonifacio Toastmasters Club for us to practice our communication and leadership skills.
Did you know that our Charter President was also the first to bring home the bacon for Fort Bonifacio Toastmasters Club?

During the District 75 Toastmasters International Convention held in Cebu City in May 2007, Lourdes "Doddie" Felix, ACB, CL, came out on top of the District International Prepared Speech Contest, which is equivalent to a national championship. She then represented the Philippines to the World Public Speaking Contest held in Phoenix, Arizona, USA.

In her speech entitled, "One Fleeting Chance" she demonstrated her flair for words when she spoke of how we must "clear the aisles of emotional baggage, straighten our priority seats and fasten our relationship seatbelts."

Seven years after the club’s first District-level victory, Vida Verzosa represented Fort Bonifacio Toastmasters Club in the District 75 Evaluation Contest during the 33rd District 75 Convention held in Clark, Pampanga last May 2014.

With her hallmark "acronym style" of evaluating a speech, she stood out and brought home the championship trophy.

Did you know that Fort Bonifacio Toastmasters Club has given rise to six Division K champions in the past years?

These champs prevailed in the Club, Area and Division levels and were able to represent our club in the District level, which is equivalent to a national championship.

Indeed, we are not only a very friendly club but also an outstanding one at that.
Did you know that the current Division K Director is from Fort Bonifacio Toastmasters Club?

As the Division Director, Mimi Arellano, ACS, ALB, supports the Area Directors and leads the Division toward its goals.

Before her, we had another member who served as a high-ranking District officer. Corazon Oliva, DTM, "Tita Cora" as we call her, was appointed District 75 Public Relations Officer in TY 2012-2013. During that time, she was a dual member of Fort Bonifacio and Presidents Toastmasters Clubs.

In total, Fort Bonifacio Toastmasters Club has had six members who held a position in the District Executive Committee!
10 is not the only significant number to Fort Bonifacio Toastmasters Club. 5 is also a special number as it signifies the point of greatest despair for the club.

5 years ago, the club was opened to the public not because of the desire to diversify but because the club was fading fast. Fort Bonifacio Toastmasters Club, with all the original members gone, was dying to the point that it only had two celebrants in its 5th anniversary.

These two people - Mikhail Cabatic, the 7th president of the club, and Corazon Oliva, then the Club Coach - worked together to develop a program that aimed to preserve the unique identity of the club and focused on member development and a stronger support system. This revitalization program would later on bring back life to the club.
On November 20, 2006, Philippine Army officers' wives established Fort Bonifacio Toastmasters Club. From being a club exclusive to officers' wives, the club eventually opened its doors to the general public.

The day that Fort Bonifacio Toastmasters Club was founded 10 years ago marked the advent of stronger leaders and better public speakers in the home of passionate minds, BGC.

Through the years, the club has gone through peaks and valleys and clouds of storm. Now, 10 years later, Fort Bonifacio Toastmasters Club stands firm and well-fortified, strengthened by all the challenges and determined to continue the club mission.

A toast to 10 years and beyond of shaping leaders and public speakers!
